Prudent Innovation Services Pte Ltd

PROFILE

PRUDENT INNOVATION SERVICES Pte Ltd was founded in Singapore by aviation professional from the Asia region seeking to raise the standard of services being offered in the Aerospace Industry.

PIS offers ATR, Airbus and Boeing Rotables, Component Repairs, Consumable and Expendables products and services distributing to Airlines and MROs. Customers in the Asia Pacific region benefits from the availability of parts, lower freight cost and delivery time and quick respond time to their request.

In Helicopters, we offers a huge selection of Spares Parts for Airbus Helicopter, Sikorsky Helicopters and Bell Helicopters. We are confident to meet your requirement with our extensive inventories of new and used parts.

In addition to our company knowledge in both rotor-wing and fixed wing aircrafts, we have access to millions of parts on the open market worldwide.

PIS commits to quality, and customer service is our key to our success. We are dedicated to on-going training experience for all our personnel. Our Quality Department provide us with means to be highly organised, meticulous ISO2001:2008 standard. We maintain our facilities to the highest ISO and government standards.

Fixed-Wing	Rotor-Wing	Engines
